Austin Mini

The Mini was marketed under BMC's two main brand names, Austin and Morris until 1969, when it became a marque in its own right. The Morris version was known to all as the Mini or Mini-Minor. The word minor is Latin for "lesser"; so an abbreviation of the Latin word for "least"—*minimus*—was used for the new even smaller car.

SMART

PLUG-IN HYBRID

Smart is a German manufacturer of microcars produced in Hambach, France, headquartered in Böblingen, Germany. It is marketed as the "smart" in all lower-case, with the Smart brand logo, as of 2010, denoting a letter "c" for "compact" and an arrow for "forward thinking".

Lithium Technology

Ultra Low Carbon Car

Four specific design factors contribute to IQ's minimal overhangs, forward windscreen location, maximized cabin space and overall compactness.
